# CNIC receives the Severo Ochoa Center of Excellence Award from the Ministry of Science and Innovation, granted in 2021

06/09/2024

The CNIC received the Severo Ochoa Center of Excellence 2021 distinction, awarded by the State Research Agency, in recognition of its scientific impact and international leadership, as well as its collaboration with the social and business environment. This prestigious recognition, which CNIC first received in 2011, aims to accredit and fund research centers of excellence in Spain.
