CNIC INTERNATIONAL PhD PROGRAMME "la Caixa"- Severo Ochoa 2016 CALL

Selection Results Fourth Call

In this call the CNIC received 58 applications, 11 of which were ineligible and 1 withdrawal.

All 46 eligible ones were evaluated according to the criteria explained in the call regulations (qualifications and grades, and previous research experience) and interviews with CNIC group leaders. Based on these criteria, 9 candidates were pre-selected, 1 of which presented his withdrawal.

The 8 preselected candidates were interviewed by an External Evaluation Committee (12 May 2016) composed of the following members:

- Dr. Ana Clara Carrera (Centro Nacional de Biotecnología, CNB)
- Dr. Luisa Botella (Centro de Investigaciones Biológicas, CIB)
- Dr. José Luis Luque (Universidad Complutense de Madrid, UCM)

Based on this evaluation and selection process, **the CNIC has selected the first 2 candidates to be awarded a fellowship within this programme:**
