

CNIC International Postdoctoral Programme - 2014 Call

SELECTION RESULTS – Second Call

11 July 2014

The CNIC has received 69 applications for the **2014 Call of “International Postdoctoral Programme” (CNIC IPP, First Call)**, 17 of which were ineligible. All 52 eligible ones were evaluated by the Selection Committee and 9 passed this evaluation stage.

Five candidates of the 9 preselected candidates presented the withdrawal of their applications. The other 4 candidates were evaluated again by the Selection Committee taking into account the research project proposal, reference letters and interviews.

All 4 candidates were positively evaluated by the Selection Committee with scores above 80 points to be awarded with a fellowship within this programme.

The CNIC has offered a Postdoctoral Fellowship to:

- **Dr. Juan Miguel Fernández Alvira**, Leibniz Institute for Prevention Research and Epidemiology BIPS GmbH, Bremen, Germany
- **Dr. Miguel Sánchez Álvarez**, Institute of Cancer Research, London, United Kingdom
- **Dr. Alessandro Arduini**, Harvard School of Public Health, Boston, USA
