NOT TO ASSIGN THE CONTRACTS OFFERED WITHIN THE POSTDOCTORAL PROGRAM IN THE 2008 FIRST CALL. THEREFOR THE CNIC DECLARES THE THREE CONTRACTS VOID

POSTDOCTORAL Program

Third call for proposals 2008

Following the indications of the CNIC Research Committee, agreed in its meeting of 13 November 2008, the CNIC hereby announces its decision to:

AWARD A CONTRACT WITHIN THE CNIC POSTDOCTORAL PROGRAM, THIRD CALL FOR PROPOSALS, 2008, AS DETAILED BELOW:

Candidate	Scientist	Research line
Dra. Kausalia Vijayaragavan	Dr. Antonio Bernad	Cellular characterization of cardiac development potential from a novel non-canonical Wnt11 responsive mesoderm population derived from human embryonic stem cells

By decision of the Research Committee in the aforementioned meeting, the CNIC declares two of the three contracts offered within the third call for proposals 2008 void.
