CNIC INTERNATIONAL PhD PROGRAMME "la Caixa"- Severo Ochoa 2015 CALL

Selection Results Third Call

In this call the CNIC received 46 applications 9 of which were ineligible.

All 37 eligible ones were evaluated by the CNIC Research Committee according to the criteria explained in the call regulations (academic record, publications in MedLine-listed journals and previous research experience). Based on these criteria, the Committee pre-selected 10 candidates.

The 10 preselected candidates were interviewed by an External Evaluation Committee composed of the following members:

-Dr. Victoria Cachofeiro (Universidad Complutense de Madrid, UCM)

-Dr. Lluís Montoliu (Centro Nacional de Biotecnología, CNB, Madrid)

-Dr. David Sanz-Rosa (Universidad Europea de Madrid, UEM)

Based on this evaluation and selection process, **the CNIC has selected the following 2 candidates to be awarded a fellowship within this programme:**
